UPLOAD PICTURES OF YOUR WORK

If you have completed your school work on paper, here's how to take a picture of it and upload it to J2Launch.

STEP 1

DOWNLOAD THE J2LAUNCH APP

- Download the J2Launch app to your smart phone or tablet.
- The app is free and very useful.

STEP 2

LOG IN TO THE J2LAUNCH APP

- Open the 'J2Launch' app and click on the red 'Hwb' icon.
- Use your 'Hwb' details to log in.

STEP 3

TAKE THE PICTURE

- Click on the symbol on the top right of the screen.
- Then, click on the camera icon.
- Take a picture of the work.
- Then, choose 'Use photo'.

If you already have a picture of your work saved to your device, click on the 'Upload' button and follow the steps.

STEP 4

MOVE THE PICTURE

- The picture will be stored to 'MyFiles'.
- Move the picture to your 'Summer Term' file using drag and drop.
