We would like to remind parents / carers that research proves that missing school equals missed learning opportunities and low attendance is a factor linked to low levels of academic success.

The school appreciates parents / carers' co-operation with attendance and would like to work alongside to support with trying to raise the overall attendance percentage for the forthcoming academic year (2025-2026).

Parents / carers are encouraged to contact the school if are concerned about their child's well-being that could be linked to their attendance at any time.
