

School development Plan Priorities 2026-2027

- To strengthen the systematic development of pupils' higher-order reading skills across both Welsh and English streams
- Raise standards and consistency in all areas of Expressive Arts across the whole school by embedding progressive skills, ensuring purposeful evaluation and a shared vocabulary of artistry.
- To ensure every pupil has genuine, accessible opportunities to influence school life and decision-making regarding emotional and mental well-being, fostering a deeper sense of power, efficacy, and belonging.
